The Detroit Artists Market's exhibition season is made possible by the generous support of:

Edin Family Foundation

THE KRESGE FOUNDATION  
DETROIT ARTISTS MARKET COMMITTEE

EACH YEAR IN JANUARY, Detroit's attention turns to design and creativity. On 2010 the Detroit Artists Market will take its own look at design with the DAM Design Show. This show will look at the entire creative process from concept to design to creation of an artistic and functional piece. Southern designers will take on this process in creating "light." The show will exhibit pieces from their creative process, including concept sketches, scale models, and the finished piece. The DAM Design Show will provide an intimate look into how design "fragments" and results in unique functional pieces. Each of the designers or design teams will be invited from various disciplines - artists, designers, architects, engineers, carpenters, and others will bring their special eye and talent to the process. Adding to this exclusive reception will be an accessory runway show including shoes, handbags, and hats produced by Detroit Fashion Pages.

Please place stamp here. U.S.P.S. will not collect without postage.
